DevOps Tools	Nunit, SonarLint, SonarQube, OpenCover, Cruise Control
Design Patterns	MVVM, MVC
Version Control Systems	Polytron Version Control System (PVCS) & Tortoise SVN.
Secondary Skills	UX Design, Rapid Prototyping, Cognizant Academy approved Trainer for Microsoft technologies - ASP.Net MVC, WCF, WPF, Angular, EF, LINQ, JQuery, and AngularJS - trained 3000+ associates. Released course contents on Entity Framework, Rest Services, Nant & Jenkins

Education

Title of the Degree with Branch	College/University	Year of Passing
M.Tech (Software Engineering)	Birla Institute of Technology and Science	2015
B.Tech (Information Technology)	Arunai Engineering College/Anna University	2011
HSC (XII)	Dr. V.G.N Matriculation Higher Secondary School	2007
SSLC (X)	Dr. V.G.N Matriculation Higher Secondary School	2005

Certifications

Domain Certifications:

Designations Achieved from Life Office Management Association (LOMA):

- 1. Associate, Customer Service (ACS)
- 2. Associate, Annuity Products and Administration (AAPA)

Technology Certifications:

Designations Achieved from Microsoft:

- 1. Microsoft Certified Professional (MCP)
- 2. Microsoft Specialist (MS)
- 3. Microsoft® Certified Professional Developer (MCPD)
- 4. Microsoft® Certified Technology Specialist (MCTS)

Process Certification:

Designation Achieved from International Association for Six Sigma Certification (IASSC):

- 1. Certified Lean Six Sigma Yellow Belt (ICYB)

Employment History

Name of the Company	Current Designation	Address of the employer	From	To	Duration (Years)
Cognizant Technology Solutions	Senior Software Developer & Technical Lead	India & Philippines	01/27/2012	Till Date	6

Client Description:

The Prudential Insurance Company of America is one of the largest diversified financial institutions in the world and, based on total assets, the largest insurance company in North America. With operations in the United States, Asia, Europe and Latin America, Prudential provide customers with a variety of products and services, including life insurance, annuities, retirement-related services, mutual funds and investment management. Its products are distributed through independent financial planners, wire houses, and banks as well as through the prudential network of agents.

Projects Summary:

Around 6 years of experience in Prudential Financial – Annuities, Life Insurance, Group Insurance, Retirement Services, Agency Hiring, Licensing and Appointments - Served as Technical Lead, Senior Developer and/or Team member on dozens of application development projects.

- VB6 UI rewrite to WPF/PRISM/MEF application using MVVM architecture. Highly experienced with Multithreading techniques for creating high performance applications. Also used the design patterns and capabilities provided by the Prism library, designed and built applications using loosely coupled components that can evolve independently but that can be easily and seamlessly integrated into the overall application.
- Prepared technical documentations such as system architecture, functional and design documents.
- Delivered new or enhanced developments (Application Discrepancy fixes, smaller

RESUME

enhancements and bigger initiatives) – WPF, WCF, VB6, ASP, Web Services, C++ and 80+ middleware components which processes high volume of data.

- Classic ASP to ASP.NET migration projects
 - VB6 components to Web application (Angular/MVC Web API) projects
 - Extensive VBA automation solutions to breakthrough efficiency
-
